

NORIX

Multi-Purpose

TABLE SERIES

Multi-Purpose Series

Most commercial tables are put together with easily removed screws, nuts, bolts, screw-out glides and snap-on parts. Norix® created the Multi-Purpose table collection specifically to avoid those attributes so you don't have to think about the possibility of injury by altered furniture parts.

Square Top
36" & 42"

Round Top
36" & 42"

Rectangle Top
18"x60", 24"x60", 30"x60"

Features That Matter

Extreme Durability

The base is comprised of heavy-duty, 12-gauge steel tubes, full welded and sealed on exposed ends to offer enhanced safety for residents and peace of mind for staff.

Non-Removable Glides

Tamper resistant, adjustable leveling glides protect floors without risking the safety of residents and staff.

Secure T-Edge

The radiused edge is routed to receive glue and pinned vinyl T-molding, making it securely fixed, highly sanitary and pick resistant.

Contraband Resistant

Specifically designed without any creases or nooks to mitigate the ability to hide contraband.

Tamper Resistant

The base and top are securely attached with embedded T-nuts and pin-in Torx head security hardware to create a safe, steel-to-steel connection engineered to not loosen over time.

Easy Cleanability

Bleach solutions and hospital-grade cleaners can safely be used for sanitation without affecting the surface material or color.
