# Titan®
## Multi-Purpose Unit

| Model | TNT4039 |
|---|---|
| **Weight** | 315 lbs / 143 kg |

| Dimensions | in | cm |
|---|---|---|
| Width | 30" | 76.2 |
| Depth | 24" | 61 |
| Height | 78" | 198.1 |

## Finishes

See Design Guide for finish options.

## Options

- **TNT4139**: Laminate Door
- Coat Hook & Mirror
- LED Light & Power Supply Kit
- Power Supply

## Assembly

None required.

*Intended for indoor use only*

## Fabrication & Material

Cut, formed, welded steel, powder coated steel.

All internal structural components shall be constructed from steel of 16-gauge or heavier. For all other components, 20-gauge or thicker steel shall be used, unless stated otherwise.

**Optional High pressure laminate**: 45 lb (20.4 kg) density M3 grade particle board with durable high-pressure laminate surface and 2mm PVC edge (Wild Cherry Standard).

Made in the U.S.A.

## Warranty

Multi-Purpose Unit has a 10-year limited replacement warranty. Optional power supply and LED light have a 1-year replacement warranty.

## Maintenance

Norix recommends the use of soap and water for both the regular cleaning maintenance and deep-scrub cleaning of powder coated steel.

**Decorative Laminate**: Norix recommends the use of Simple Green® or an equivalent cleaning product.

## Installation

Secure to wall at user discretion through hole locations in back of unit. Wall-mounting hardware not supplied by Norix.

## Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.
